I loved my aunt Florence! She was always so nice to me :) and thought of me as "little Ruthie" even as a grown up. She had a lovely and happy spirit about her. I loved her smiley face :) I miss my parents and the aunts and uncles from the Skurda generation that came before me every day. I am sad to now lose one of my two remaining aunts that are left. May God join her with the other loved ones that have passed on. And may God bless those of us that will grieve her loss. Love, Ruthie Skurda
