I never met Katie, but I knew much about her and her siblings from conversations on the phone between her mother and mine (Elfreda Gaunt)when I was a little boy. May she be reunited with her mother in heaven.

Dear Murray Family,

Your dear sister and Aunt Katie was a good friend and neighbor of my mom, Elaine Fahner (married name Geml)back in Detroit many years ago. I remember Katie coming to our house a couple of times - and one time she was armed with delicious St. Patrick's Day cookies that she baked - -they were shaped like a hat, with a marshmallow as the top, and the brim was green frosting on a sugar cookie! She was a very sweet lady and my mom had so many stories and memories of her and the Murray family. Saw Katie's picture in the paper and just had to write. Unfortunately, my mom passed away 5 years ago from emphysema. God Bless Katie and all of you.

Sincerely,

Carol Menzies
