

Anthony J. Tahnoose

January 31, 1951 - June 11, 2020

Anthony J. Tahnoose, of Warren, passed away Thursday, June 11, 2020, at the age of 69. He was born January 31, 1951 in Detroit, Michigan to the late Thomas and Nellie Tahnoose.

Beloved husband of Kathy. Dearest father of Tommy Tahnoose, Ben Tahnoose, Brandy (Rich) Ruemenapp and Cassie Tahnoose. Loving grandfather of Caleb. Dear brother of Shirley (Louie) Davis and Cindy (Dave) Hagen. Dear uncle of Dylan, Ancel, Sabrina, Rachel, Hollie, Josh, Russell, Adam, Adrienne, Steven, Michael, Sarah and Jason. Also survived by many loving friends and family.

Anthony was a member of Gratiot Valley Model Railroad and Stoney Creek Model Railroad Clubs for over 25 years. He met some great friends who shared his passion for trains and spent many hours detailing and creating lifelike scenes to run his trains across. He traveled to capture pictures of real trains, 'staking out' for hours to capture the perfect shot for his layouts. He recreated scenes depicting the small town life of his family in Robbinsville, NC and even included family members in their favorite hobbies. Tony was also passionate about his Ford Mustangs and took a great appreciation to the classics and could be found wandering the car area of the Henry Ford Museum if he wasn't over by the trains. Tony loved to travel south to North Carolina to visit family and was always up for a drive to just 'cruise' (with the intent to get a sweet treat at the halfway point). He lived life with a purpose to enjoy life and worry less.

Services will not be held at this time. Anthony will be laid to rest at Old Mother Church Cemetery in Robbinsville, North Carolina. Expressions of sympathy, memories, and stories may be shared with the family on Anthony's 'Tribute Wall'.

“ If it wasn't for model trains and Tony I aould not have what I have. Cindy Introduced me to my wife. Tony and I had not seen each other in a while as our lives grew apart. Friendship never left. Many memories from back when. Working on someones layout or out chasing trains. Tony was a good friend, better than me, rest well old freind. I will never forget watching a west bound freight on the BN in Chicago you following the caboose with your video only to meet a 60mph passenger trains nose while standing 3 feet from the edge of the platform. Your quote "I just got the shit scare outta me!"

“ There was never a weekend when we were younger, that our families weren't together working on a train layout or watching slides of train trips that our dads went on. Those are memories I will hold close & dear to my hear

“ Many fond memories of Tony from Linwood in East Detroit. He loved his cars and I always think of his cream colored road runner that he would get Cindy, Mike and I to wash for him. He also took Mike and I for a ride in his Chevy Nova with a big V8 and gave us a taste of its speed. I will remember him for his smile and gentle nature. RIP
