Death of a loved one is never easy. May you find an abundance of comfort in your family, friends and especially the future blessings found in Jehovah God's word. He has promised to swallow up death forever and reunite us with all who fall asleep in death. (Isaiah 25:8, John 5:28,29) As a God of love who cannot lie we can certainly trust all he says to come true. (1 John 4:8 & Titus 1:2) It is my hope that these words and the fond memories of your loved one sustain you through this most difficult time.

Mike, I am so sorry for your lost. I can tell the last time we were together how happy you were with Mike, I am so happy I had a chance to meet her and visit with you two. It may not be your plan, but God has a plan for you and I hope you find peace within his grace and mercy. Make sure you take some alone time to try and sort things out. Just remember there are many people around you that care. All you have to do is call any of us. We love you brother. God Bless.... Andrew Harris
