“ Mom I will miss you a lot. Through the years we had a lot of memories. We shopped sometimes until we dropped. Did crafts together. We would laugh so much and than we couldn't catch our breath. I remember we would bake Christmas cookies on one weekend. Which was about 15 varieties. You would always help everyone that needed help no matter what is was. But would never ask for help. It remember one time we were carrying something In your apartment which was quite heavy and you fell in the snow going up to the door. You laid there laughing so hard you started to make a angel in the snow. The funny thing was it lasted a long time. And ever time we were going somewhere we would stop and laugh. You sure had a rough 2 years that I will never forget. I am go glad you are finally going home. Love you and will miss you a lot. Lynette

“ I've lost my mother and my best friend ! She was the most strong and independent person I know. She was always there for anyone who needed help, always giving and never asking for anything in return. She endured a lot of pain and suffering the past 2 years and never gave up fighting and almost never complained. She will be greatly missed by not only her family, but by all her friends and neighbors who had the pleasure of touching paths in her life. Mom you are finally going home !
