Dear Bob,

I am so sorry for the loss of your beautiful wife, Paula. I will always remember all the good times Julian and I had together with you. Paula was the apple of her uncle's eye. I know she is in Heaven with Gerry, Curly and Julian having good times now in their new home.
May God Comfort You.

Much Love, Linda

Bob (Boto),
I was so sorry to hear about Paula. You were definitely soulmates and I know she will be terribly missed. I hope in time all your memories will be positive ones. She was a special person who made people laugh. I still think of her whenever I see of a ketchup bottle! May she rest peacefully in God's good grace. God bless you and your family. Sending much love,
Mary (Moto) DeCarolis ❤️

I'm do sorry. I remember meeting Paula at Grandma's for the first time when you guys started dating.
I thought to myself I've never seen such a stunning, beautiful lady.
We went in to find she had a beautiful heart.

She will be missed by all of us

There are so many funny and wonderful memories I have of Paula. Going to the Ann Arbor Art Fair, having gorilla punch at Niners, the bachelorette party at the Alcoy house. When my Mom died you wanted to sleep at the foot of my bed in case I needed you. Miss you

Bob-
Every time I walk past my old cottage I think about you and Paula and how much you enjoyed being there and on Russell Island. The only place I ever sold and remember it like yesterday sitting in your kitchen closing the deal and how happy and excited you guys were. Memories are forever.

Bob , I was so happy I got to meet Paula when we bought our cottage on Russell Island. It became a joke that she was the one that introduced me to White Russians .. . She was a great lady that will be missed .
