“ When I think of Aunt Celia ; I think of a pretty quiet soft spoken woman. We didn't really see her much but knew of her actions and condition through her devoted daughter Judy. Sometimes I would ask Ron how he could put up with his wife being gone so much; and he would just shrug his shoulders and say it just needed to be done.

Now Aunt Cel is with the love of her life. That's pretty much how we all want to end up when our time is due. Rest In Peace Aunt Celia. Till we all meet again.

“ I will always remember when Celia and Paul visited me at Pearl Harbor when I was a sailor still wet behind the ears. What a lovely person.
