Dear Denise, Cathy, Janice and Toni,
So sorry to hear of your Mom's passing.

I'll always remember your Mom's GREAT home made pizza, apple strudel and fried bologna sandwiches. What a treat when I was invited by Vince for lunch or dinner, or when we just snuck a piece of pizza or studel and your Mom would yell at us.

I still her your Mom's laugh. Boy, it was infectious. If Vince or I would make her mad, we (mostly Vince) could sometimes get her to laugh, then she tried to be serious and angry at us but to know avail.

Your Mom is in my thoughts and prayers, as well as you guys.

Sorry, I could not be there as I'm up north and couldn't get back down in time.

With Love,
Your Deziel Kid Friend,
Steve Berg##imported-begin##Steve Berg##imported-end##

Dear family,
I was so sorry to hear of your mother passing. My mother Lucille thought so much of her and they were such good friends up until the last for both of them. My heart goes out to all of you because I am still having a hard time believing my mom is not here, I say to my husband all the time I have got to call mom today....but she is not at the other end of the phone....I think about her everyday and miss her so much. So just take comfort in knowing your mom was a very funny, sweet person and I think of her and my mom alot and the silly things they use to do. Especially when they would go to bingo, and my mom would say her and Ursula are not going anymore they just don't win....ha the next week they would be right back there...as I write this note I have tears running down my face just thinking about them....hugs to you all.
Sincerely the family of Lucille Goff##imported-begin##Sue Williamson##imported-end##

I would like to express my dearest smypathy to the Dunn family on the passing of a good friend Ursula, whom I had the pleasure to meet and befriend thru my Aunt Bertha Robinson. We loved Ursula and we will truly miss here. Ursula may you rest in peace. You journey is now over. You are now in God's Hands./##imported-begin##Pamela K. Norwood and Bertha M.
