“ It's been a long time, but--Mrs Malczewski--I can still vividly remember you standing outside your classroom as students filed in between periods. The day I heard you were back in school after this devastating news, I came to see you... it broke my heart to see you so heartbroken, and the memory still affects me today. I could feel (probably just a sliver of) how much you loved this man. Loss is so common, yet still unimaginable. Just wanted to say I still think about you and your family. Love you forever.

“ Aileen,
We were shocked and saddened to hear about Danny. We were out of town over the weekend to visit Amy and so sorry we missed his viewing and funeral. We will always remember his knack for telling a story and his sharp sense of humor. He will be greatly missed!
With deepest sympathy and prayers,
Grant and Mary

“ On behalf of the Worobec family we would like to send our deepest sympathies to Dan's family. Dan was a very kind neighbor and good friend. From installing docks and tinkering with motors, to talking baseball and hockey -- we all shared countless laughs with Dan each summer at the lake. Weekends just won't be the same without him. Again, our condolences to Dan's family.

“ Hello,

I am sorry to hear of your loss. I live in Midland and was told about his passing from a friend who read about it in the Detroit News.

I am originally from Buffalo New York, which is where my father (Joseph Matthew) and his father (Frank) were raised.

I did not know Daniel but I am sure he was a very good husband and father.

Please accept our deepest condolences. If at a later date you would like to talk, please feel free to write.

Sincerely,

Frank Malczewski

“ Aileen I am so sorry for your loss, this came as a shock to me, I truly thought of Danny as a friend and enjoyed seeing him for lunch and talking to him on the phone since I moved to Arizona. He had a heart of gold and I am sure he has a front row seat in Heaven
