

David A. Bushe

October 21, 1951 - February 14, 2019

David A. Bushe, of Sterling Heights, passed away Thursday, February 14, 2019 at the age of 67. He was born October 21, 1951, in Highland Park, Michigan to the late Arthur and Shirley Bushe.

Beloved husband of Cindy. Dearest father of Rachael, David, Tom (Katie), Sarah (Rob) Thomas and James (Ashley). Loving grandfather of Dominic, Carter, Jack, Chloe and Madelyn. Dear brother of Shirley Gervasone, Paul (Mary), Mark (Phyllis) and Susan Bushe. Also survived by many loving and supportive friends and family.

David was a loving and generous man, who cherished spending time with his family and friends. He was always there to listen to a friend or family, and respond in a kind way, not by necessarily using his words, but rather carrying out positive and generous actions. Although it may be tough at times to capture a person's life in words, St. Basil may have very well been describing David when he said, " A tree is known by its fruit; a man by his deeds. A good deed is never lost; he who sows courtesy reaps friendship, and he who plants kindness gathers love."

“ I was saddened to read of David's passing. I have many fond memories spending time with the Bushe family at their house on Carlisle. Unfortunately, I was not available to attend either the visitation or the services, but I extend my sincere condolences to the family.

“ Dave and I were best friends for 63 years, beginning in Kindergarten right through to Eighth Grade. Those years were filled with the fun of riding our bikes as fast as we could pedal under Eastland, sucking down Cokes (10 cents for 16 oz.) and burgers with Gus (Paul) at Top Hat (we weren't White Castle guys), building model cars, and traveling to East Jordan, MI to paint cabins, and swim nonstop. Jay & The Americans were singing "Cara Mia" that summer of '65.

We went to different high schools, and afterwards, Dave joined the Service. Though

Dave and I moved about to various cities, we always stayed in touch, and got together with our families to enjoy each others' company.

Dave was a man of strong faith in Christ, and loved his wife Cindy, and his children, and grandchildren dearly.

A more honest, decent and hardworking man has never walked this Earth. His great sense of humor, intelligence and friendship will be sorely missed, but only for a short time. Those of us with a strong belief in the Triune God know that we will be reunited, and I'm counting on Dave to put in a good word for me, when I'm standing at those Pearly Gates.

Love to you, Brother.

“ Thomas,
I wish I could have been there to see all of you. I had to be in court for volunteer child advocacy work I do, but I was there in spirit. However, I was so happy to spend the time with Dave at the Hospital. Even in his condition, your Dad and i made a connection. God Bless you, your immediate family, and your entire family!

Best Regards,

“ My heart goes out to all the family, especially to Cindy, Rachel and David whom I know the best from visiting with their neighbors, the Schafers. Dave was a super neighbor who became a friend to all who knew him. His ready smile and helping hand was always there to make your heart and day a little lighter. Dave was grace

filled and I was happy when he shared with me that he was preparing to join the Catholic faith. Yes, he was a follower of Jesus in his life of joy and suffering. May his heavenly rewards be great as he sends down guidance now from above for each family member whom he loved and who loved him.

“ When my mother passed she had endured years of slowly losing her memory along with pain from what we could only conclude might be fiber myalgia (we never did know for definalely sure what caused her pain and burning). At the end she was in the throws of dementia. She wasn't able to do a thing for anybody and was totally dependant on others. It's because of my Catholic faith that I'm able to take solace in knowing that my mother has been set free from the bonds of pain and dementia. She is enjoying paradise with her mind opened up to so many things the we here on earth cannot even fathom. And I know that she can do more for me from where she's at now than what she could ever do here on earth. All I have to do is just talk/pray to her. Although this is a tremendously sad time for the Bushe family, I know their faith is very strong. I know they can find the same solace I find in that same faith. My message for them is, Dave can and will do things for you now more than ever from where he's at than he ever could here on earth. Just ask him!

Love to all,
