“ I met Debbie in 1989 at Boise State University. We had many criminal justice classes together and became fast friends. Debbie was such an amazing friend and I miss her. She was smart, funny, kind, strong, and always a joy to be around. The last time I saw Debbie was in July 2018 when she and her beautiful and talented Barbara took a road trip to Whitefish, Montana. We had so much fun hiking, driving to Glacier Park, watching movies, and eating huckleberry bear claws. My thoughts and prayers are with Barbara, the Zukowski family, and Debbie's family.

“ Its sad to hear such a sweet person and so full of life has passed. We had so MANY laughs! I met here when she was assigned to the HIDTA. She will be missed.

“ My deepest sympathy to the family. I had the good fortune to work with Debbie at U.S. Customs. We became friends, but lost touch after she left Customs. I remember her as a hard worker and fun loving. I am saddened that we lost her so soon. I will be traveling and unable to attend the service, but I will carry her in my heart forever.

“ I wish peace for all those that loved Debra and struggle with her loss. I worked with Debra years ago and still remember her well. (I especially think sweetly about the many conversations we had about various candies.) I send my prayers and condolences to her daughter Barbara and all those to whom she was dear. Peace,

“ I’m so saddened to hear about the loss of Debbie. I was lucky enough to meet Debbie when we worked together and shared an office. She became my friend and mentor and was always a bright spot in my day. As we moved on to other jobs, we unfortunately lost touch but I will never forget the laughter and wisdom she imparted on me. I also remember when she had Bobbie, how motherhood just seemed to light up her life. I know she is greatly missed but I’m glad that she can be with her beloved Tim once again.

With love and sympathy,

“ I'm so saddened to hear of Debbie's passing. I worked with her at U.S. Customs for many years. She had a great sense of humor and always found a way to make others smile. She always had time to listen to her friends and genuinely cared about them. My deepest sympathy to her daughter Barbara. Your Mom was truly a kind, strong woman.
