“ Dennis was a great mentor and also a great friend to me for the 30+ years we worked together. He was a teacher and made sure you understood the things that were truly important. Beth and Alicia, he was so proud of you and shared stories about what you were up to every now and then. And to his Mom... when hw was running around here like the Energizer Bunny, he always said he got his work ethic from you. My heart goes out to all of you and the rest of his family. You can rest assured that there are many of us that he made a huge impact on and we will never forget him. I hope you can find comfort in his memories. Rest In Peace Dennis, Rest in Piece.
