“ Dear Stan and everyone...I just don't quite know what to say, as I fight back my tears.. There are oh so many memories in our family, Xmas parties, picnics, weddings, communions, confirmations. I could go on and on. Our family is so close, just this fact in itself brings me such sadness at your passing dear cousin Delores..You always had a smile, a nice thing to say, but most of all, family love.I will miss you deeply, but also have faith that God take you into his arms, and into heaven... Love and prayers to you and the family Stan..All our love, Dan, Rosie, Michael, Joshua, Jordan.

“ Dear Stanley and Sons:
How my heart aches having to write this message. Delores," Dee" as I called her was a wonderful, kind and happy lady. Recently I came back to Michigan to visit Stan and Dee I took them on a 'memory drive' around the neighborhoods where we grew up and lived. We visited the home where Stan and Dee lived in Hamtramck and also the area where Stan lived. We then went out to dinner at a Polish restaurant and ate and laughed and had a great time. I will always remember Delores laughing, smiling and being so kind. She will be sorely missed by me. My thoughts and prayers are with Stan and his sons at this time of sadness.

“ Dear Stanley and Smigiel Family,

Dolores was a wonderful person. I'll always remember she loved to play cards, talk on the phone for hours or watch the City of Warren Council Meetings on TV. She was such a proud mother and grandmother. The house was always full of pictures of all her loved ones. I appreciate all the help over the years Stan and Dolores gave to Nolan and I; continuing to treat me like part of the family. Sending love, strength and resilience your way.

“ Sending all our love, prayers and condolences. Craig, Jack, Josh and I were blessed to know Mrs. Smigiel for the last 15+ years. She was always smiling, always laughing and made sure to ask how Jack was doing, every time we saw her. We are so saddened by her passing and hope that Matt and his family know that they will be in our thoughts. Love you all.

“ Stan and Family, Dolores was so kind and gracious to Wade and I when we visited Detroit a few years back. You both made us feel so welcomed after all the years of being apart. I clearly remember the day you two were married. I thought you looked like a proud King with his Queen. You were blessed with many years of marriage that I know will bring memories of great love. May they comfort you now and forever. Peace and prayers to each of you.

“ How sweet and kind you were, dear Dolores and you spread this kindness to all who met you. I will miss seeing you at occasions we happened to be at together and the light conversations we had.

You were a mom that your four sons were always so proud of as you were of them. I will remember to keep in close touch with your dear Stanley.

Rest in peace.

Your loving Aunt Stel

“ It is mind boggling to think that our sister-in-law is gone from our lives in the blink of an eye and a nightmare I wish I could awaken from. Especially for the last two weeks either I would call her or she would call me. I would ask how she was doing and she would always say I'm fine (even if she wasn't) and say now we have to get your kidney removed so we can get back to living. We have hundreds of great memories over the last 57 plus years she was married to my brother and we will treasure her and everyone of them. To my Brother Stan, my nephews and their families, Tim, Debbie, Tom, Mike ,Ekatrina Matt, Rachael and all their grandchildren, she will forever be in our hearts until we meet again. How fitting that she rose to heaven on the same day our Lord, Jesus rose to heaven.

Love, Bruce and Tina

“ Auntie Dolores was a kind, loving, beautiful Aunt. I remember going to Uncle Stan and Aunt Dolores' house for Christmas Eve and having such a good time, I didn't want to leave. She always had a smile and anyone who knew her was extremely lucky. I'll miss you Auntie Dolores.

“ Dolores was one of those you just loved the minute you met her. She always gave everything to all she met and our memories of her are filled with hugs and love. I remember so fondly how every Christmas we always got a card from the Smigiel's and commented to Eva just how wonderful it was to be thought of. Our Lord must have needed another angel because He certainly made a perfect choice in Dolores. She will be so sorely missed and may the family always know our thoughts and prayers are with you all now.

Ron and Eva Baluch - April 22 at 05:27 PM

“ My cousin Dolores has been one of the sweetest, kindest people in our family from day one. Her warmth and caring heart has been as constant as the beautiful way she wore her hair, from my earliest memory. She and Stan were such a devoted couple that you never just said Stanley or Dolores...it was always “StanAndDolores”, like two halves of one person. She will be missed so much, even more because she was just always there, at every family event. Love you, Stan, Tim and Debbie, Tom, Michael and Ekaterina, Matthew and Rachael, Andrew, Christopher and Lexi, Cassie, Stephanie, Shane, Sierra, Nolan, Mason and Olivia, and sending hugs and prayers from Indiana.
