“ To Ed's family, please accept my deepest sympathy. I met and know Ed through the VFW of which I am the current Commander at Port Sanilac. Ed was one of our most active members. He participated at meetings, Memorial Day, Poppy Drive, 4th of July parade, Veterans Day and Honor Guard for Veterans funerals. He helped represent the Post at food drives, Veteran appreciation dinners and parades. There wasn't a time after an event or when dropping him off at home that he didn't fail to tell me "you call me anytime I can help". He was a great Comrade and a true patriot. Rest in Peace my friend.

“ Grandpa Ed was a very nice man. He always greeted everyone with a happy hello and a cheery goodbye. His presence will be missed at every family occasion. Ed was the youngest old guy I knew and I will miss him.

“ *My husband and I were fortunate enough to have met and become great friends with Ed and Genee through the American Legion Post 8 in Winter Haven, FL. We shared many great experiences with them and will never forget his 90th birthday when he and his son went for a parachute jump in Lake Wales! He was beaming for days with that wonderful and unforgettable smile of his. We also enjoyed golfing, boating and eating out at his favorite restaurant, Cherry Pocket. His friendship is and always will be, a precious memory we will hold dear forever. So proud to have met a man of his caliber as they are few and far between. Thank you for your service Ed and for being a true patriot. Always in our thoughts, until we meet again!*
