“ My mother, Gladys Przygoda, moved into Cherrywood in January of this year. Ed was one of the first to make her feel welcome. In the times I visited, it was obvious the type of vital and caring person he was. Our family wish to share our sympathy and prayers with you at this time.

“ I'm sorry for your loss. You don't know me, but I want the children & brother of Mr. Apczynski to go to [www.unclaimed.org](http://www.unclaimed.org), because your Dad has property there. Click on owners, then find property, then click onto the state of Mi. ( link then will be underneath, scroll down )Click on State link, then last link you'll click onto will be MICHIGAN MONEY QUEST. Just put in the last name ( NO capitals ). And these will come up. I came across this web sight in 2004, three years after my Dad died. He had money there and never knew it. The STATE knew where he was, after all he filed taxes until he dropped dead. But the state informs no one. This was your dads property, I don't care if it's only worth \$20.00. CLAIM IT. It belongs to you not the state of Mich. My mother was able to claim my Dads, but he should of known about it. The state is making a mint off everyone else's money. It's not right. Again i'm sorry for your loss.
