“ We are deeply saddened by the passing of Jerry. We ask God to give Darlene strength through this difficult time. We remember Jerry as a compassionate, caring, and generous man. He personified what it means to be a husband, brother, son and friend. Linda and I remember the good times we had together at our homes and theirs. Jerry, Darlene and Dee visited us when we lived in Florida. Our visit to Key West was especially memorable. Ironically, we were reminiscing over 35-year-old Florida photos a few days ago. (In the Photo section, check out the one of me, Linda, Dee, Darlene and Jerry) Jerry and Darlene took us to our first disco dance club in Detroit. We then, made the rounds of local adult beverage establishment in Hamtramck. We will miss and remember you. ~ Bill & Linda Janke

“ My deepest sympathy to Darlene, family and friends of Jerry. It's so hard to believe this has happened. We have always held Jerry and you in our minds and hearts as the nicest, most generous and helpful people my family has ever known. As we all know, you both have been like that, to all your family and friends. If we ever needed anything, all we would have to do is call. What a tremendous legacy you both have made and lived up to.

I will always remember Jerry as being a cool, calm, and collective person. Never once can I recall him ever saying an unkind thing about anybody. And as long as there was a hot coffee around, everything would just be fine. I am also remembering all the great times we had, going on fantastic trips to tropical destinations, and Jerry and I would always be skipping out for a short time from those fantastic dinners. Also spending time at cabins, area fairs, the trip to Mackinaw, Niagara Falls, and all the casinos we visited. Especially dinner at the Copper Rock, eating poopballs and strawberry something for desert. So many other special times, to many to mention, but not forgotten. Just like all the other great memories Jerry and you have bestowed on all of us who know you.

Darlene, you have a tremendous support group surrounding you. USE IT to help heal and I hope you know you can always count on me too. The healing part will get easier with time, even though you may not think it will right now. But Jerry will NEVER be forgotten by anyone who knew him. He has made that much of an impression on us all. I don't know why I was so lucky to have met you both, but I sure am glad it happened, What a blessing it has been and will be. May God bless you through this difficult time and Jerry will always be with you, if not in body, but in his spirit.

“ Deepest condolences to Darlene, Marika, John and Patty and all who loved Jerry. Such a difficult loss of a young man. I will always remember when the kids were small and put on their yearly Christmas plays, Jerry would laugh so hard at their antics. It's a sweet memory. May God comfort you and give you strength during this sad time, my prayers are with you.
