

Kevin Nutt

July 11, 1961 - May 9, 2020

Beloved son of the late Doris and Frank; dearest brother of Mary Alice (Rick) Rybicki, Frank (Sandra), Mary Rose Nutt (Dalton) Lee, Joseph, Kenneth (Judy), Mary Louise (Craig) Rivard, and David (Cara). Also survived by many nieces and nephews as well as great nieces and nephews.

Kevin was a graduate of St. Anne High School. He enjoyed golf (especially with his brothers) followed by a good steak dinner. If he had a bad meal, he'd let you know! Kevin was a very humble and sweet man with a great sense of humor. He will be greatly missed by his entire family.

An expression of sympathy may be made to the Capuchins.

“ I have known who Kevin was since first grade, never had a class with him till the seventh grade, that is when we became very good friends. his humor, was like none other, always getting a laugh. a natural as well, for remembering the lessons, a very smart kid! as we moved into high school, we met a few more kids, and all hung out together, Larry, Todd, & Bruce, we would hang out at each others houses, the van dyke arcade, movies, sporting events and concerts, as well as playing cards, euchre was everybody's favorite' around 10th grade, we started getting our driver's licenses, and would cruise Woodward & Gratiot on weekends checking out the muscle cars, Kevin had a love for music as well, almost always rock n' roll, as he would always defend his favorite band, the Rolling stones,if anybody tried to slam them, Kevin, & the Nutt family, were a very generous family, very friendly toward us, inviting us to their backyard BBQ's, picnic's, and their cottage, for weekends. although it has been quite a few years since I saw Keven, I have always considered him my brother, so glad I met him, had tons of fun, as well as laughs! I will miss him so much, and may he rest in peace!

“ Oh I am so sorry to hear that. Kevin sat behind me through a number of classes in our junior and high school years and we went to Homecoming together, 11th or 12th grade. I have often wondered where life had taken him. RIP Kevin.

“ Kevin had a knack for finding humor in the mundane! We were dance partners for our kindergarten Christmas show and then classmates at St. Anne's Elementary. He cracked me up repeatedly with his hysterical remarks. More than a few times, I had to be sure not to sit too close to him because when he'd crack a quiet joke, I'd burst out laughing and get in trouble. He had a kind and beautiful sense of humor! This world is a little less without him!

“ Dave, Cara and all the Nutt Family~ We were so sorry to hear about your brother. We have been thinking of you and praying for you. Losing a sibling makes you think back to childhood and all the memories you shared. Hold those memories close.
We love you guys.

“ Mary and Family, we all share in your loss of someone who now is with his parents. Kind and gentle were two characteristics of Keven along with never having to be called twice for a meal. He was always thinking but maybe didn't get the opportunity to express his opinion. He was lucky to have all the love and care from you guys and sometimes it is God's plan is to call us to a better place to avoid possible suffering. Kevin will certainly be remembered and missed. Love to you All, Steve Forrey

“ Way back in the day my sister and Mary Louise were tight and Kevin and I delighted in annoying them in any way that we could think of. I believe that he was my partner in crime when we gave a couple of their Barbie dolls shag haircuts (which of course did not look good nor go over well). Kevin was quiet and funny and kind and smart and when I think of him, I smile. Rest in Peace Kevin. You were a really good guy and you will be dearly missed. Sending love to the rest of the Nutt family.

“ We will always remember how close Kevin and Jeffrey were growing up (and into adulthood). They were always building things at Michael.....our MI cottage. Their treehouse stood for years. Kevin had a great sense of humor, and we will miss his kind and gentle spirit. Know that Kevin was dearly loved. Tom and Kathy

“ Growing up with Kevin was fine. He was kind of funny and very smart. He had the quirkiest in the funniest quirky humor I've ever seen in a human being. I miss the times and we used to explore Bebe pond. And hanging out by Lutz cabinet Michael.My most heartfelt condolences to the Nutt family. He is up by Frank and Doris's side happy and at peace

“ We all loved Kevin. His heart was huge, and he loved his family dearly. Growing up, Kevin and my brother, Jeffrey Nutt, had a much-desired tree fort at Michabo in the Atlanta, MI area. We have fond memories of Kevin. He will be sorely missed. Our thoughts and prayers are with the entire family during this time, particularly Kevin's siblings and their mates, as well as his nieces and nephews. May the Lord comfort and strengthen your hearts. Much love and prayers from Scott and Lisa Harper and Family.

“ Many great memories growing up with the cousins get together. Kevin always went out of his way to ask me how I'm doing. Had the nicest soul and biggest heart. Golfed with Kevin many times at the Nutt open and laughed with him the entire time. Love you Kevin. May you rest in peace.
