“ Leo was such a kind hearted, funny, compassionate man. He brought great joy and love to my “Sita” Anne Simon. They shared Bella together, and she would run down the street back and fourth between their houses. We will miss you Leo!! Thank you for all of the laughs and stories. Rest easy.

“ Thoughts and prayers to the Levy family. Just wanted to share with Leo's family on how he touched the lives of many short and longterm residents of Shelby Crossing nursing and rehab center. That's is where my mom (Virginia) met Leo approx 5 years ago and thru her many visits there is when she met Leo. They became friends and exchanged long conversations about family and life and back in the day stories. We got to know Leo as well and could always count on seeing his warm welcome smile sometime or another when we visited my mom and heard some stories as well. And the. Sometimes making sure he got home safe. Even when she was sick he would call and sometimes visit her in the hospital. I called her today and shared the devastating news and it was just too late to make his service. Thank you Leo for being a great friend to many residents and especially to my Mom

“ Leo's dog Bella was very loved by him and she also ended up stealing my mother's heart as well. Leo was such a busy man so he graciously allowed Bella to have 2 homes so she wouldn't be alone when he was gone. My mother Anne lives on the same street and when Leo would tell Bella to go see Annie, she knew what to do. They treated her like they shared custody of a child! Leo and Bella helped my mother through the most difficult and frightening health issue of her life. Leo was a good friend to my mother and our family. He will be greatly missed.
