“ We are shocked and deeply saddened to hear of Michael's passing. We are your neighbors( The Osobkas') on Scott. Michael went to school and graduated with our daughter Suzy. He played, as a child, with our son Stephen. Mike was always a nice kid and a hard worker. I hope all of you find peace and comfort in our Lord. May God bless you all. Linda and Steve( dad) Osobka and family.

“ I am sorry to hear of the passing of Michael. It is so sad he is no longer around the people who loved him. Corrie, my prayers and thoughts are with you and your family. I have not seen him since our Burger King days, however, he left me with some beautiful memories of our days working together. I remember every Saturday and Sunday morning, I would pick him up at 5:00am, sometimes having to wake him up and his father. We worked together just the two of us during the breakfast rush. We had a lot of fun together. For being so young at the time, he showed me a lot of respect and would always be there for me whether he wanted to or not. REST IN PEACE Michael, and thank you for the wonderful memories that I shared with you, your sister Corrie and the whole gang at Burker King. Steve Kiriazis

“ I wanted to find a way to send our families heart felt condolences on Michael's death. We live across the street and did not know Mike really well, but, have interacted with him enough to know that he was hardworking (saw him and Andrew leave everyday for work), kind (always coming over and talking to my children and my dog), and thoughtful (I knew by our conversations how much he cared for Ashely and Jaxon.) Ashley I heard your cries that night and I cannot begin to tell you how much anguish I have felt and still feel when I think of them. I am so sorry for all of you and will continue to pray for comfort and eventual peace.

“ Patricia, Cori and Kari,

We express our deepest condolences to you and your families.

My son, is Andrew and he worked with Mike for the past two years, 5 days a week 10 hours a day. Even on the weekends they would text each other back and forth about video games. Andrew has been telling us funny stories about their work adventures to make the pain a little bit easier. Mike was quite the character and they were quite the duo! He was always making Andrew laugh. Mike took Andrew under his wing and taught him and mentored him how to be an excellent electrician, even though Andrew wouldn't stand on the top step of the ladder, like Mike did. Andrew knows he has a big task at hand and that is to make Mike proud. Andrew proudly has his tool belt hanging in the company van and will always have a part of Mike with him every single day. He will be greatly missed by all and Lakepointe Electric will never be the same.

“ I don't know what to say, I was broken hearted when I heard this. It's been awhile since I've seen Mike, but we had some great times working together at Burger King and all the other shenanigans we managed to get into over those years. I know you're with your dad now, RIP friend I wish I could have seen you one last time. ~
