“ I would like to offer my condolences to all of Rose's family and friends. I was very sorry to hear of her passing. You don't know me, but I work in a pharmacy. Rose used to come in quite often and no matter how bad we knew she felt, she would always say something to make me smile. I will always remember her for that.

“ Dear Andy, Mike and Barb,

So sorry to hear of your loss, I will try to make it to the funeral home tonight. (Sun). I don't get off of work until 8:00 p.m. My thoughts and prayers are with you. It sounds funny; but I was thinking of you and your mom just a few days ago....Why? I don't know. Must be God at work.

Love you all,  
Joe

“ Dear Andy, Mike and Barbara when I think of your mom I smile. When my mom was sick in 1974 your mom got here a poster with a cat hanging onto something and it said, Hand In There, mom hung it up in the livingroom because she loved it and Aunt Dolly. She had here first child, and was so proud of your daughter, Michael. She just loved showing that beautiful baby off to people. I remember when we brought all the kids to the cottage maybe ten years ago and she wasn't expecting us. Daddy, uncle george, made one of his suprised visits that day toteing a bucket of chicken. Well he gave the kids, there were like six of them, the bucket and they ran into the cottage without knocking and scared the hell out of your poor mother. Here come these kids with chicken, you know. We got daddy in there and she calmed down and we had a great visit. I nice memories of Aunt Dolly. Remember the time Barbara you came over for thanksgiveing. And Mike you very kind to me when I needed help. Thank you for being such good people, and having such a wonderful mother/aunt/ cousin. Love cousin Mary.
