September 13, 1951 - November 28, 2020

Sandra Jo Schuman, of Warren, passed away November 28, 2020 at the age of 69. She was born September 13, 1951.

After high school, Sandra had a very eclectic array of jobs before attending nursing school. She was a horse trainer at Hazel Park Race Track, a truck driver, she also played the drums in a band. Sandra then got serious and earned her degree as a Registered Nurse and retired after many years working in home health care. With her caring nature she would always help anyone in need. She would give you the shirt off her back if she knew it would help. She also had a wonderful ear and was always there if you needed someone to listen.

After she retired she wasn't content and started Inside English (a Billiards Magazine.) She enjoyed everything Billiards. She loved playing pool and also attending pool tournaments.

She was an avid fan of Jeopardy. So much as to trying out for the TV show. She was also a dog lover. She loved her dogs with everything she had and strongly supported the animal rescues and shelters.

Sandra was a truly caring person and had a large group of friends. But above her love for her friends was her dedication to her family. She had an infectious laugh and a brilliant smile. She will be truly missed by all who knew and loved her.

Sandra is survived by her two loving daughters, Amy Schuman (Mark Kaufman) and Karen Schuman. Caring Nana of Basil Schuman, Michael and Jonathon Crafard and the late Dakota Crafard. “ Shu,  
I have been talking with a dear friend, an a comment that sticks in my head  
"Our circle keeps getting smaller"  
When did we become our parents!  
I have the thoughts of a 20yr old  
The Body of a 50 something  
The will of a child  
But when i tell the rest of me lets get to it, Im stuck in neutral!  
Just know where all the time goes my friend!  
You will truly be missed my friend,  
R.I.P.

“ I am so incredibly lucky to have been able to call her my mom. She was such an amazing woman and genuinely cared about everyone. I was very fortunate to have lived with her for over half my life. She would always say how much she loved her life. So very blessed with family and friends. The last 8 years we have lived together so I could help her out. She would always make me laugh. Every time I made dinner she would always say "this is AMAZING! It's so good" I would laugh and say "it's only hot dogs". It didn't matter what it was she always loved it. She was my best friend. My confidante. Always there to catch me if I fell. We were so fortunate to share many adventures together and yes she got me playing pool too lol (of course I wasn't quite as dedicated as her...but who is lol). We traveled to tournaments and played local leagues together.. Always were laughing and had so much fun. Life will never be the same and there will be a huge hole in my heart. I miss my mom. She's gone to be with all the ones she loved that passed before her. Fly high and travel wherever you want to now. I love you  
P.S. she's probably reading this and editing my spelling, punctuation and grammar lol

“ Sandy was a one of a kind. If you played pool you either knew her or knew of her. I had the pleasure of being on her team a few times and enjoyed a couple ladies weekends away where we played pool at our friend Barb cottage. She talked to everyone and was always smiling. We have a lot of fond memories with her that I will cherish. She will be missed.

“ I'm at a loss for words. Sandy you're a dear friend that I could always count on to lend a hand or an ear. We had some good adventures but also fought like sisters. Your family welcomed me with open arms as mine did with you. You will be truly missed by all that knew you. I love you my friend.
