

Scott Allan Findlay

January 19, 1963 - October 23, 2020

Scott Allan Findlay passed away suddenly on Friday, October 23, 2020 while doing what he loved, bow hunting up north near Manistee, Michigan.

He was born January 19, 1963 to Diane (Clive King) and the late Allan Findlay. He graduated from Warren High School in 1981, and went on to work almost 40 years at N-P Grinding employed as a grinder operator. He married Marcee (Puleo) in 1991 and went on to have two daughters that he was immensely proud of: Cecelia Findlay and Georgina Findlay.

He was a loving brother to Allan (Tammi) Findlay and the late Randy Findlay. Nephew of Norm (Phyllis) Dollar. Brother in law to Tom Puleo, Joe (Janice Headley) Puleo, Gina (Steve) Helinski, and Angie (Dwight) Wagaman. Son in law to Trudy (the late Tom) Puleo. He is also survived by many cousins, nieces and nephews as well as extended family and friends.

Scott enjoyed life to the fullest, always willing to lend a hand to someone who needed help. He was a people person and as his daughter's lovingly called him: Mr. Friendly, because he never met a stranger. He enjoyed most activities outside: dirt bike riding, motorcycle trials riding, hunting, snowmobiling and making great bonfires up north or in the family's fireplace.

Due to COVID restrictions, an outdoor visitation will take place Friday, October 30, 2020 from 12:00-1:00 pm near the pavilion at Cross Lutheran Church, 35851 Utica Road, Clinton Township, MI 48035. Immediately following the visitation, a funeral service will be starting at 1:00 pm. Since this event will be taking place outside, please dress according to the weather. Also limited seating will be available, so please bring a chair to maintain appropriate social distancing. MASKS are REQUIRED. To keep everyone safe, the family is requesting to please maintain the appropriate social distancing while outside.

In lieu of flowers, the family suggests making contributions to either the American Heart Association, or the Michigan Humane Society.

Since there will be no luncheon following the service, the family is planning to have a big celebration of Scott's life in the Summer of 2021.

“ Dear Findlay Family,
We are so sorry to hear about Scott's passing. Bob especially has very fun memories of practicing with Scott for the "Dad's dance" at JDS. We didn't know him long but he seemed to be an example of a life well lived and a wonderful friend to so many. We will keep you in our prayers.

“ Scott was the best brother-in-law and friend that anyone could ask for. He was the person who everyone gravitated to at family events and the life of a party.

The meals he made were legendary, the times up north epic, and the company always gregarious.

There was a sign up north that read "You are a stranger here but once". Scott lived that.

Scott will be missed so much in our lives.

“ Marcee, CeCe, Georgie: Praying that you feel the prayers of family and friends carry you minute by minute. There are no words. Scott was rare in that your life was better for knowing him. I think back to his humor and laugh — gregarious . He certainly helped everyone and was such a great gear head really— quick with an idea and ready to help. Such a great Legacy: he Loved big: Marcee and his girls, family, and the outdoors. He made life better and kinder — a real gift to all of us. Love Always, Laura & Steve Jackson

“ I want to send my condolences to Marcee and his girls. It's been a number of years since I have had the pleasure to be around Scott but man his presence was always something grander than life. His laugh was infectious and could fill a room with laughter. I will forever remember and cherish the years of snowmobiling, dirt biking, canoeing and all the joys of being around him. RIP Scott

“ Marcee, Georgie, Cece, and families: anyone who ever mentioned, Scott, had something nice to say. His impact was forceful and a good example for all of us. Right now, there are very few words that could possibly ease your pain. We continue to keep all of you in our prayers and thoughts. What a devastating loss for all. Rest in peace, Scott.

“ Mark & Ingé here, from down the street. Scott will be missed even by those of us, who wish we had known him better... I asked him just a week or so ago if he'd like to come over for a drink. He expressed disappointment in a decline, because he had to be up and out for work at 4:15 AM (or so) as he always was. He said just a short time left of having to do that. On one of the last nice days here in Mich., later in the week, I was up at 4 AM walking out to get my paper and saw Scott motor away on his quiet cycle. He loved that bike. I thought of his words- just a short while left to do that. The times we chatted at his drive, shared neighborhood stories, parenting stories, up north stories. Life. That's what he was. Life. In a Man. A great neighbor. Tommy & Liz across the street were floored when he walked from his home to theirs to help Tommy's dad complete yard work, because he didn't like seeing him do it alone. RIP Scott. Thoughts and prayers with Marcee, Georgie and Cece.

“ Scott was always so welcoming. He was kind to my family whenever we were in town, and kind to everyone from what I saw. A hardworking, family loving man who will be greatly missed. Prayers for Peace for Marcee, Cece and Georgie even as they grieve. And special prayers for Diane, for a child's passing is so difficult.
