“ I am very sorry to learn of your loss. May your many memories bring you a measure of comfort during this most difficult time, and your many prayers bring you the peace of God that goes beyond all human thought and can guard your hearts. (Philippians 4:6,7).

“ My heart hurts for your family. Thank you for always taking on Raeann and allowing her to have "a home away from home" and treat her as your own. I'm glad I got to meet a beautiful soul like yours. May God bless this beautiful family with strength everyday and to be able to smile once again as you may not be physically with them but you shall always be spiritually, mentally and in memory.

“ Stephy you were one of a kind. You had a amazing spirit and a huge heart. I know how proud of your kids you are. Just know that you were very loved. I wish you would of called me i would of drove to you in a heartbeat. You were one of the few good people in this chaotic world. Heaven has definitely gained a beautiful soul inside and out.

“ A beautiful mother overloaded with taking care of her three kids with little help from the fathers , she had to carry a ton of weight on her shoulders by herself everyday with a smile on her face.

She did the best she could , it was overwhelming for her at times but she kept grinding and doing the right thing pushing for her kids to give them a stable loving life.

She always put her kids best interest before anything else in our relationship and I always respected that.

Great mother, just breaks my heart she didnt call me cause I would have been at her house in minutes to talk with her.

She knew people by name in local establishments , she connected with people she never met , she could walk up to someone she didnt know and start a conversation , alot of people will say the world wont be the same with someone gone but in Steph's case its really true , people will realize shes gone , they will notice in time shes not around because she touched so many lives , some big and some small.

Steph, strap on your beautiful sparkling purple wings and fly with the angels.
