“ I was blessed to meet Ada at Waltonwood when I was her housekeeper. From their recreated, a beautiful, wonderful friendship she was like a grandmother to me. I loved her very much.!!! I would go and visit her throughout the day about three times. Her pants was too big for her so I went and bought her nine pairs of pants, but she could fit on her little frame.. we were both raised in the south so we understood the way each others way of thinking, she'll be truly missed. Ada, you were such a beautiful Lady. All my life you stood out the way you always looked so nice. I wish it could have been we would have had the chance to be able to visit more often in person. I will always cherish our long phone calls. You gave me a lot of good advice, you had learned over the years. I appreciated the guidance and wisdom of the walk you had with God and the invaluable lessons you had learned over the years. You helped many others in the years God Blessed you to have to be a witness of his Love, Mercy, and Grace. Enjoy time With God, and the beautiful reunion with your dear Love ones. ,(Praise be the
