“ *To Adam's family -*

I was deeply saddened to hear of Adam's passing last night from Danyul Nutt. Although I never personally met Adam, he extended his huge heart to my family when we were in need. Our young daughter was battling cancer and he donated to support her wish trip to Disney World. We were touched by the kindness of a complete stranger and will never forget it.

May God bless all of you during this difficult time and you will continue to be in our thoughts and prayers.

“ Dawn / Tiffany / Jade / Adam -(Your Family / your loss is our loss)

I will just say this - A Big Ole Smiling Guy is how I see Adam in my head right now and every time we saw each other (which is never enough) - A big respectful meaningful Hug from him that made me feel special - and nothing but fun and smiles when were together - Actually the whole family Dawn, Tiff & Jade deliver that special feeling to us -

Live life with the goal of leaving everyone with a smile - We don't know when our day will come -and no better way to be remembered than smiling

For me, Adam did that Perfect -

I get comfort from the sadness quickly when I think about him smiling down, knowing he left enough smiles for me, for US Foley's, for sure !!!
