“ *I was honored to have known Adeline while I was the Activities Coordinator at Sunrise of Troy. Adeline was always smiling and made me smile. She was the highlight of my day. My husband has many physical issues, and she would always ask me how he was doing and would pray for him. I enjoyed every day with her! I'm happy to have known her family also. You are all in my thoughts and prayers. Thank you for sharing such a wonderful person with me! Love, Jane Ramsden*

“ *First of all I want to say I am rejoicing with you that your mom, my aunt, went home to be with the Lord and celebrate with her family. As sad as our hearts are we rejoice because we have the promise that we will see her again. Even though I've lived in California, the visits we had in Michigan are remembered with fondness and a fun time we had with your parents and family. I hope to visit Michigan in the near future and meet up with family. God's blessings to you always.*

While we are saddened by your loss, we take comfort in the beautiful life she led -- and the many extraordinary lives she shaped in all of you.*
