“ Dear Children of Agnes Ludlow...
i want to express my deepest sympathy to you on the loss of your mother. we were neighbors when you all lived on meadowbrook drive in warren, michigan, so very long ago. i guess you could say that was back in the good ol'e days. you were just kids and i witnessed your mom and dad doing their very best to raise you to be upstanding, loving and caring grown ups. i KNOW how much your parents loved you!!!!
i have only the nicest memories of your mother (and father). we had a long and wonderful friendship, but so often life gets in the way and i confess i could have done much better in trying to maintain our relationship... but i dropped the ball. she was definitely a 'good person!' i'm sure you each have your own very special memories of her. the word 'love' comes to mind. oh... and garage sales, too. never met a garage sale she didn't like. I'm also sure she touched many people with her kindness. you can be very proud of your parents and i know they were proud of you, too!
sincerely,

“ Agnes and I began our walk together as friends in 1972 when I was a student in her Refresher Nurse class. I had been away from active employment for a few years and was there for a 'tune up'...and 'tune' she did! Within 3 months she invited me to join her as a teaching partner for that class and beyond to many personal, public, and private moments that we shared. She was always one to lift your spirits, see the best in you, make you laugh, and become a better version of yourself. I speak for the hundreds of men and women who were blest to call her teacher...she was the best! Dear Agnes... until we meet again. By then you should have those Heavenly chorus' whipped into shape with your glorious voice, sharp wit, and ready smile...I miss you

“ *Still quite can't grasp that you've entered the heavens. Your endless love for family, gatherings, friendship, will always be cherished. Always had an open door for anyone. You were the voice of wisdom and reason within this family of ours-Always saw all sides of the story; Countless hours of games, cards, conversation and laughter will not be forgotten. Our gatherings here on Pontiac Lake will never be the same; but we will carry on yours and Walters memory. I thank you for your son, Stan as my husband and father to our 2 beautiful daughters. He too, has inherited your zest, passion and beliefs for life. You've graced the earth, now grace our heavens with all those that have preceded you. It's not good bye, but we will see you later. RIP Busia. Love always.*

“ *My deepest sympathy to the Ludlow/Valenti families*

Agnes was a sweet, kind hearted, gentle and lovable person.

Our family had the honor of knowing her for the past 13 years and she will live on in our hearts forever.

They walk beside us every day.
Unseen, unheard, but always near;
Still loved, still missed, and always dear.*

“ To my Ludlow family my deepest sympathy and may God be with you in this time of need. I will miss all of the family time together with mom as much as you will but she will always be there in your hearts and minds. I will miss her wisdom -her card playing - the games with all of the kids - all the papers she helped me write - the smiles and the laughter. Love and peace be with you all.

Renee' I am so sorry for your loss. I know how close you were to your Mom and what she meant to you. My deepest condolences go out to you and your entire extended family. Your Mom was a jewel. Her laugh made everyone smile and laugh with her. I have great memories of sleep-overs at the house on Meadowbrook and fun at the cottage. If it was a Sunday morning when we woke up we would always go to church together, but the best part was stopping at all the garage sales on the way back. God Bless you and yours through this difficult time. Thank you for letting me know that your Mom had passed. I will not be making it to the services, however I did pass on the info to my Mother. Sincerely, Maggie Morawski

“ Dear Mom - I know you are now at peace. resting in God's and Dad's arms. I miss you. I cannot ever thank you for all you have taught me, shown me, modeled for me, you were the best Mom in the whole world. The world is a better place because you were in it. Thank you for the laughter, the love, the travels, the endless game of pinochle, for being there every time I needed you. I was so blessed to be here the past few weeks, and so glad I could be there for you for the endless times you have been there for me, our family, and our friends. You say you were proud of us, I could not be prouder to call you my MOM. Life will be different, I will miss calling you, seeing your smile, outbidding you in cards, shopping, traveling and just spending time together but I know you will live on. I see you in my siblings, in your grandchildren and through the number of people that remind me what a treasure you are. Rest in Peace. I so enjoyed our last adventures together and our trip to Belle Isle in July. I love you more than words could every say..... I love you more.
