“ Dear Cindy & Family:
I am so sorry to learn of your husband's passing.
The two of you became very special to me.

It made me feel so proud to be able to have given him the opportunity to have that cane carved. It was such a beautiful reminder of our gratefulness of his service to our country. I know you will cherish it.

God bless you and my thoughts and prayers are with you. He was a very special person and he will continue to be with you in your heart.

Thank you for your comment. Al really loved his cane. We even had the cane at the viewing for everyone to look at. Thanks again for helping us to achieve this.
