“ *There might just be a shortage of "wild women," "whiskey," and lottery in heaven; but the good news is you will be with your Mom/Dad and all your siblings. We hope you can behave yourself! We will always remember you special Uncle!*

Al was my friend for many many years as I knew him when he sold houses for Sunny Brooke Homes Every closing was the same breakfast at 9, closing at 10 and charge the breakfast to "Fast Eddie". Al threw me out of his model the first few times, but later we became close. I disagree with Donna and Frank....there may have been a shortage at one time but well you know....Love you Al.....Dan Baich
