“ *In high school, I remember Al for being constantly up beat and as a great teammate. He was a real competitor and his energy level on the wrestling mat earned him the nickname "Taz". I am not surprised that he went on to serve his country well. My thoughts and prayers are with Al's family.*

“ *My brother Al was such a hilarious kid and even Funnier when he was a teen. My brother, sister and cousins would sit and crack up for hours. I miss that. I have a lot of great memories of when we were kids. Good times.*

God has you now and you are a kid again making everyone we love laugh again. The best comedians are the ones that made themselves laugh.
