“ Jim Koss and I had a marvelous time on our trip through the Baltics in 2019 with Bert and Julia.

Wheeling him around and leaving him on the docks because he wanted to see the water on land.

On the cruise ship, he had the staff at his side with drinks and pitchers of Arnold palmers and his Bloody Mary. The Bloody Mary was really his vegetable garden.

It was a delight to see his interactions with Gizmo.

“ I was so young when Bert started dating my sister Joan. I can't even remember a time in my life when you weren't there. You were just like my brother. You were always smiling. I will miss you forever but I am so happy to know that you are now with your beloved Joan. Rest easy Bert. Thank you for all the great memories. Until we meet again.... 🙏❤️

“ *I remember being a kid sitting on the porch waiting for you to pick up my sis for a date. You were the coolest and so fun. Thanks for your love and support and for helping me move as often as I did growing up. You will be missed*
