“ Dad (grandpa) will be greatly missed. He had many good qualities. The funniest memory we have is at our annual family camp out. He set off the alarm to the car multiple times in the middle of night while trying to get settled into bed. As you can imagine, the words coming out of the tent every time it went off were colorful! We Love You & wish you eternal peace.###imported-begin###Roger & Nina Combs & Joe Peddy###imported-end###
