“ Dear Petish family, I am so sorry for the loss of your dear loved one, Albert. At such times it is a source of great comfort to have the loving support of family and close friends. It is also very comforting to turn to "the God of all comfort"(2Cor.1:3,4). His son Jesus said at John 11:25, "I am the resurrection and the life. He that exercises faith in me even though he dies will come to life." I hope this brief Scriptural thought will prove of some solace at this time. “ Brian, I am unsure if you remember me. I worked with both you and your father at Chrysler. I first met your dad at Mound Road Engine as a tool research engineer. He immediately became a very good friend that I shared many special memories with. I am saddened to hear of your loss of a father and a truly great man. Unfortunately we will be unable to attend the services this weekend as we will be traveling. We will keep your family in our prayers.###imported-begin##Bill and Jane Colver###imported-end##
