“ Alasha and I met at Detroit Memorial Hospital in the 60's. She was hard-working, very creative and generous. She was a good cook, and a beautiful decorator. she had a mind of her own and spoke it but you always knew where you were with her. She deserved more than life dealt her but she had you precious four and that was enough for her. She was a strong and independent lady. May God keep her in the palm of his hand.

We love you,
Auntie Donna and Uncle Wayne.

They gave us life, gave us love and most of all have given us so many wonderful times to remember upon their passing. It is that which we must hold onto to help our hearts heal. God Bless You.

“ *My mom was a very dedicated and hard worker. She always made ends meet even if she had to struggle. She would never lie to you even if it would hurt your feelings she was always honest and wouldn't hesitate to give you her opinion! I miss her very much and wish she was still here but i know deep inside she is in a better place and is no long in pain, And i know she is looking down on us kids knowing that she did a great job and is proud of who we have become. I love you MOM!!!*

Lesha & family, Please know our hearts are saddened in the death of your mother. My memory of her goes back to the day you & Jeff got married. She was at the church doing the decorating and making flowers and bows--My mother & I stopped in to see if we could help in any way. Very nice lady. She wanted to do it all for you. I know she will be missed. You are loved by our family and have been prayed for today & in the days that lay ahead. May God's Peace cover you today. Love & Prayers Linda

Lesha, I am praying for you and your family this morning as you say your final goodbye to your precious mother! I am lifting you up to Our Heavenly Father during this very difficult time! I am praying for comfort, strength and peace for you and your brothers & sister right now! I know it is never easy to say goodbye to our precious loved ones, but please remember your precious mother is smiling down on you from Heaven with our Precious Lord Jesus and saying to you, "Well done Lesha and I Love You my precious daughter and one day we will meet again!" Lesha I will be praying for you today all day through my day! Cling to Jesus today and I pray you will feel Him cradle you in His Arms today and know that your sweet mother is safe and at peace with Jesus now! I pray you will find comfort in knowing that she is happy now because she is with our Lord Jesus Christ in the Heavenly places! I wish I could be there with you today, to give you a Big Hug! But I will be praying Our Lord Jesus Christ will walk with you and your family through this very difficult day! Hugs and Love in Christ: Mrs. Tami Weiden
