“ I saw Ms breese at a few family gatherings, and often thought what a beautiful older woman. I was so amazed at how young she looked and acted. Her singing videos, and interviews she conducted in regards to her being a Rosie the riveter was wonderful!! What a wonderful life she lived. Rip Ms breese. You will be sorely missed.

“ I instantly fell in love with Mrs. Breese the first time I met her. She was beautiful on the inside and out and exuded such warmth and joy. My favorite memory of her is watching the video of her reading the book “The Wonky Donkey”. I can still hear her contagious and uncontrollable laughter. I will never forget it.
Sending my love and prayers to the entire family.
