“ I'm terribly sorry to hear about Alice leaving us too soon. I will miss her! Alice always treated me like one of her children ever since I've known her. Alice and Ted were great parents and had quite the sense of humor. I have fond memories of the both of them. I'll always remember playing cards with Alice. She was so competitive and wouldn't back down when she knew she was right. It was always a treat to have a night out with her doing what she loved best. She would just be tickled if she knew she could euchre you and take your money! Another great memory is Alice's 80th birthday trip to California. I'm so happy I was able to share that trip with her. She was quite a lady all the way around.##imported-begin##REBECCA SHEPARD##imported-end##
