Tribute Wall

“ Dear Bill, Stacy, and Ordakowski Family,

Please accept our condolences and know that our thoughts and prayers are with you during this difficult time.

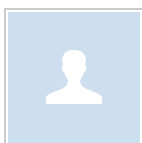

Although we could not attend yesterday's viewing due to sickness, we were still thinking of you and sending you our best.

Please let us know if there is anything at all we can do to help, even if it is just to talk. We both know how difficult it is to lose someone who means so much. Have faith that this separation is only temporary and that you will meet again in God's grace.

Your friends now and always,
