“ *She Was There*

*When a calming, quiet presence was all that was needed,
She was there.*

*In the excitement and miracle of birth or in the mystery and loss of
life,*

She was there.

When a silent glance could uplift a patient, family member or friend,

She was there.

At those times when the unexplainable need to be explained,

She was there.

When the situation demanded a swift foot and sharp mind,

She was there.

*When a gentle touch, firm push, or an encouraging word was
needed,*

She was there.

*In choosing the best one from a family's "thank you" box of
chocolates,*

She was there.

*To witness humanity-its beauty, in good times and bad, without
judgement,*

She was there.

To embrace the woes of the world, willingly, and offer hope,

She was there.

And now, that it is time to be at the Greater One's side,

She is there.

This is the Nightingale Tribute

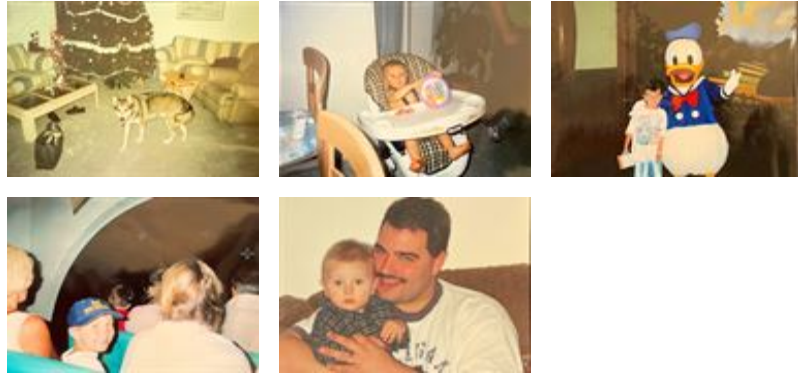

You will be missed Alison

“ I have only had one year knowing Alison at the hospital. She stood by her principles and showed integrity throughout this terrible time in human history. She was compassionate with folks who needed compassion and full of fortitude when folks needed assertiveness. Her co-workers LOVE her as well as her patients. She spoke often of the pride she had in her children. Alison is a GREAT loss to humanity.

“ I am shocked and deeply saddened by the loss of Alison. Mike, Jacob, Savanna, your wife and mom was a much loved co-worker. She had a bright smile and laugh and listened to others with empathy. She shared life experience readily and responded to all with kindness and a well-grounded sensibility. Deepest condolences. May her memory be a blessing.

“ I am so sorry. My heart hurts so much for you and your family. I never met you or the kids but i feel like we have. Allison spoke about you and the kids alot at work and was so proud of each one of you. She called me "Angel" but she was the true angel. It will not be the same working on her weekend without her. I will truely miss her.❤️
