“ I remember the best thing that Allison ever did for me. She made me laugh so hard I thought I was gonna wet my pants anyway she was working at Walgreens and we always have Christmas on Christmas Eve because Allison and her and Ed go to her mom's house for dinner on Christmas Day And I want to say that she got off from Walgreens that day and she was starving so she went and grabbed a plate and then she set it on the chair then she sat in it all over her pants and then she said lynne will you please wash my pants I gotta go back to work on Tuesday I said no problem so I don't think I'll ever forget that she was so cute about it. You know I satin something bad on my butt and she stood up and Ed wiped her off and I said you can keep your hands off her now.
