“ Amanda was the sweetest sister in law. She always knew how to make me laugh, and I felt like I could talk to her about anything. She will always be in my heart and she will be dearly missed. She wouldve done anything for anyone, and has always struck me as very caring. I pray for her peace, and send love to her family.

“ *Amanda, you were such a beautiful soul. I know that we only knew each other for a short while, but I'll never forget how sweet you were and how you put every ounce of your passion into everything you did.*

You loved so deeply. So gently. The sun shone brighter when you were on this earth with us- brightening the day with your radiant smile. I don't know how this all came about, but I pray that you can rest peacefully knowing that you were truly loved, and knowing that you will truly be missed. I hope you never had the chance to suffer, and were met only with the warmest embrace. Rest easy ❤️

For Amanda's family; I pray for peace and recovery. I am so incredibly sorry for your loss.

“ Amanda was a kind and loving soul. She always looked for ways to help or take care of others. Her beautiful smile stays with me. We spent a long week on a “workation” together and I will forever remember her laugh when we woke up soaking wet!

Rest well sweet friend ❤️
