“ *My memories of Andrea go back to time in 1990s when they came to New Mexico for a visit at my aunt Lillian and Uncle Billy Garth's home. She and her sister were delightful to be with! They were upbeat, and fun to be around. We did a photo session which was such fun! My sincerest condolences to the family for the loss of such a wonderful young lady! May you Rest In Peace, sweet girl! 🥹🌹*

Lovely One Spathiphyllum Plant - February 26, 2021 at 12:00 AM

“ Growing up down the street from Ondrea was one of the highlights of my childhood. We always had so much fun together. There actually isn't many memories during that time that she isn't a part of. She could light up a room with her big loud laugh and was always so generous to help out any one in need. My only regret is that we unfortunately drifted apart after highschool. I still thought of her often, and it actually wasn't too long ago that I was just reading some of the old notes that she passed me in junior high. She will be forever missed but never forgotten. Sleep tight and fly with the angels! RIP Ande, say hi to your mom and MJ.

“ Looking back to my middle school and high school memories I don't have one that didn't include Andrea. We never had a dull moment when she was around. Our neighborhood crew drove our parents a little crazy growing up, but we had a lot of really good times. I think I could write a book about all the adventures we took together. Our lives went in different directions after high school, but I will always treasure the memories we shared. Sending your family love and strength during this difficult time.

“ Andres was my soul sister💙 We had differences at times but I wish I could turn back time and talk to her. We have many many moments but one that no one knows and will never understand is that She SAVED me . She saved me from myself... saved me from ending my life. She is the reason I'm still here. Andrea was funny Kind giving and so special to me💔 Andrea never knew how special she really was ..She was supportive intuitive Smart Beautiful funny loving giving ..
