“ I know this comes very late, I worked for Andy at the photo lab of Ross Roy back in the early 70s. He was a great man to work for and with. He trained me on the copy camera and huge old stat machine... Thanks Andy ... You are a fond memory of mine... Don Gillette

“ *Holevar Family,*

I worked with Andy at Ross Roy Advertising many, many years ago. Andy would often come down to the film studio and have lunch while visiting with Chet Zienty. I was a young producer and would often stick my nose in their conversations of current events. We had many spirited discussions. However, the discussions were always informative. Andy was not only smart, but I found him to be wise and quick-witted ... and always a gentleman.

I sincerely hope you find comfort in this time of sorrow.

There are many of us that remember Andrew Holevar and smile.

“ *I remember his stories of being in the military, one of the bravest men that I've ever had the pleasure to of met. You will be truly missed. Rest in peace uncle. I truly regret not being able to listen to your stories, and not making time to visit you one last time. The world has lost a great man.*
