“ Defer Family,

I am so sorry for your loss. I cannot imagine what you are going through. Although I did not know Angela very well I was surrounded by people who loved and cared about her deeply. I know that whenever I saw her she had a smile on her face. Always remember the good times! Your family has been in my thoughts and prayers.

Love,

“ *Late nights, on occasion, my sister Terri Ann and I would drop in to the Denny's where Angela worked at the time. Of course, she was our favorite waitress. This is where we first met Mike. Angela was always a lot of fun and we looked forward to seeing her there when she was working. She would make sure that I had a cup and saucer, a little pitcher of hot water, a tea bag, with some honey on the side, which always made me feel good. I will miss her and her sense of humor. I remember thinking as she walked away from the table one night, "Wow, this woman glides through space like a hot knife through butter and seems so comfortable in her own skin." I also remember a cool picture that Angela's Mom, Deb, has in her living room where Angela has a cowboy hat on and looking good. Blessing's Angela and a safe journey.*

“ *I cannot put into words what you meant to me, Amber, and Jeff. We were so blessed to have such a wonderful, kind hearted, selfless person in our lives. You were my rock. No matter what I ever needed you were there. Amber and Jeff loved and cherished you as much and I. You spent so much time with them. You were their second mom. I don't know how I could have raised them without you. Rest in peace my beautiful best friend. Rest with no pain. Rest knowing how much you were loved on this earth. You will never be forgotten. My Angel in Heaven.*

Love,

Angie

“ *Ang, my beautiful, loving Niece, you came into this world a beautiful, smart little girl that touched all of our hearts. Even though Uncle Joe and I were not your blood Aunt and Uncle you called us that since the minute you could talk. Your mom, Mick and you are the family of our heart. Since your mom and I have known each other for 58 years we have always been family. We loved you with all of our hearts and always will. Please take care of our Nick. You will be missed.*

“ *You came into our crazy life as a friend of our son. As he grew to love you, we did as well. We opened our home to you and you opened your heart to us. We were so thankful that you found Mike and a wonderful life. We shall miss you, and may you forever rest in peace. Roland and Connie Snodgrass.*

“ Angela,
It's been 4 days since you left us and I still can't quite grasp the idea. I have done nothing but think of you. I have such good memories of you growing up that it's hard for me to let go. Our cabin up north, dirt bike riding, birthdays, holidays, week-ends with your dad, family dinners, and even the "Madonna" concert we went to. I remember baking a certain cookie recipe with you for a French class, and later asking you how it went. You told me you got hungry at the bus stop and ate them before class!!! Some things I can never forget. I know that your dad loved you more than life itself. I think about your reunion in heaven, knowing you are with him now. I will cherish our memories together and never forget you. Love,
Karen

“ Angela and I had many ups and downs during our years together in our relationship. I am hurt deeply for all her family and friends. If I could say 1 thing is that I was so happy for her to find. Ang and I were much better friends than when we were a couple and she will always have a place in my heart. Give Nikki a big kiss for me

“ Ange, we have such good memories of you growing up, going up north, camping and dirt biking, and just watching you grow into a young lady. Though we didn't see much of you in recent years, the fondness and bond remained. We can't believe you're gone, and can only hope that you're at peace.

“ *There were never two happier people than me and your father the day you were born, Angela Marie Defer. I was so lucky and blessed to be your Mom for 39 years. I have so many happy memories. I couldn't even begin to single one out right now; they're all running together in my head. My baby girl Angela, I miss you so much already. RIP Sweetie and God Bless You. I love you more than words can say.*
