“ To the family of Angeline Gieraltowski,

*I knew Angie for quite some time while I managed Polo Green Apartments. First as a tenant, then as a neighbor, when we moved in across the hall from her. I really did care for her alot! She became somewhat of a grandmother to my 2 daughters, Petrina and Alexandra. So many days sitting with her and hearing many stories about her family and her life. When we finally moved into our home, we picked her up and had her over for dinner. After a while, we had lost touch over the years. I had ran across her obituary notice today on accident, and was completely shocked when I saw her name. But she had led a full life and I'm sure that she is a better place now. I wish I would have seen this notice yesterday, because I would have surely came and paid my respects in person. I'm sorry for your loss, but I know there is another beautiful angel in the sky looking down on us.*

*Take care,*

“ Dear Marilyn and Tina: I have such fond memories of your Mom sitting in the kitchen and looking out into her beautiful garden on Dresden. Your home was a second home to me as I spent so much time with you in our younger years. My prayers go out to you. She is with Uncle Stanley now...right where she belongs. May God bless all of you.
