

Angelo Alexander-Guiseppe Zuccaro

August 2, 2008 - January 17, 2025

****Angelo Alexander-Guiseppe Zuccaro****

August 2, 2008 – January 17, 2025

It is with heavy hearts that we announce the passing of our beloved Angelo Alexander-Guiseppe Zuccaro on Friday, January 17, 2025. Angelo, age 16, was a resident of Shelby Township, Michigan, and was born in Troy, Michigan, on a beautiful Saturday, August 2, 2008.

Angelo was a gentle soul with a kind heart and an infectious smile that would light up any room. His presence brought joy and warmth to everyone he encountered. He was a cherished son, brother, grandson, nephew, cousin, and friend.

Angelo's memory will be forever treasured by his devoted parents, Nicole Elizabeth Zuccaro and Richard Thomas-Rocco Zuccaro, both of Shelby Township, MI. He was the wonderful big brother to his sister, Bella, and the adored grandson of Tom (Julie Fifield) Zuccaro, Cheryl Julien, and David and Annemarie Wiater.

He leaves behind a legacy of love and camaraderie with his cousins: Tommy, Sophia, Braeden, Rowan, Aubrey, Lincoln, Lukasz, Kenzie, and Autumn. He

was the beloved nephew of Tom and Rachel Zuccaro, Mike and Kristin Tompos, Jennifer Starr, and Michael and Michelle Starr. Angelo was also a special friend to Mya and Keagan, with whom he shared a unique and irreplaceable bond.

Angelo was a dedicated student who was passionate about baseball, his greatest love, where he worked tirelessly to bring his dreams to life. His dad, mom, and sister Bella were his biggest cheerleaders, supporting him every step of the way. Beyond the field, Angelo enjoyed playing guitar, basketball, and spending time with his family, especially enjoying pizza nights every Friday. He loved his family and friends dearly and was known for giving the best bear hugs.

He found great joy in thrifting, snacking, and cherishing time with his dogs, Lulu and Bolt. Angelo's favorite memories were created in Port Austin, where he fished with his dad, and in moments spent learning to drive with his mom. The joys he found in all kinds of music were matched only by his love for shoes and the feeling of belonging they gave him.

Angelo is no longer in pain, and he now rests peacefully in the arms of Jesus, alongside his Papa, Grandma, and Uncle Matt.

Family and friends are invited to pay their respects during the visitation at Wasik Funeral Home in Shelby Township, MI, on Wednesday, January 22, 2025, from 1:00 pm to 8:00 pm. A Scripture Service will be held on the same evening, from 7:00 pm to 7:30 pm. A Funeral Service will follow at Wasik Funeral Home on Thursday, January 23, 2025, from 11:00 am to 12:00 pm.

Rest now, our sweet angel, Angelo. Your love and spirit will forever reside in our hearts.

“ I met Angelo & Bella through VBS at SS John & Paul. Angelo was a charmer with his infectious smile and sweet demeanor. I was touched by the caring relationship he shared with Bella. He seemed like the best big brother! Sending prayers for comfort & healing. May Angelo find peace in God's loving arms.

“ Angelo you were always my right hand. I have missed you deeply and I am so sad you left us. I know you were tired and struggling I know you are at peace. I just want to tell you that you are the joy of my life and to be your daddy was such a beautiful honor. I remember all of the long car rides where we would talk and laugh and joke and even cry. You don't know this but I always looked at you in awe and amazement in just how perfect and beautiful God made you! You always made me proud. I love you with my whole heart son and I cannot wait to see you again in heaven. Until that day I will take care of our girls. Rest now son. I thank God everyday I had you!

“ Angelo, I can not put into words how much you are loved and how much you will be missed. You never failed to make me smile, you had the absolute warmest hugs, most contagious laugh, a beautiful smile, and you were just overall an amazing person.

I have always viewed angelo as my big brother, he has always been there for me when i needed him, he would sit and listen to me talk about absolutely anything and he always had the best advice. Our trips to the beach, restaurants, port austin and all the family time we spend together will never be the same without you.

I love you forever and always and you will forever be my reason to live.

“ I loved the times we played video games and spent the night. When we went fishing in Port Austin and when we played mini basketball. My favorite memory was when we slapped each other with tortillas. I also loved when we played wiffle ball and you hit home runs.

We love you and you will never be forgotten.

“ It was an honor to be teammates with Angelo but more importantly it was truly an honor to be friends with him. Angelo was one of the nicest people I've ever met and I really appreciated how genuine he was. From the time we spent playing baseball together, the lions game, and his big birthday parties in the summer, these are memories I will never forget. I really enjoyed the time I spent with Angelo and the friendship we had.

Rest in peace bro , 🕊️❤️

“ Words can't even begin to describe this loss. Angelo was an incredible friend and teammate to my brothers, Noah and Dylan. He had a warmth that he brought into every room that he was in. Every person who came into his life surely knew how much he cared.

Angelo was an incredible baseball player. Over the years I have enjoyed watching him play with the Rochester Rhinos and Hitdogs. My dad was lucky enough to coach him and watch him grow over the years.

My favorite memory of him has to be when he hit that home run a few years back- it was a true testament to his strength and strength.

Rest easy, kiddo. You'll forever be my little brother's close friend who one summer, lightly clocked him in the head with a whiffle ball bat. We love you.

“ I never knew Angelo personally but he was in my youth group and I was friends with his little sister. He was very kind and always had a smile on his face. Sending prayers and thoughts to his family.

“ I never knew Angelo, but I used to see him a lot at my high school. One day, I was running late to class and he stopped in his tracks and turned around to open the door for me. I was already having a rough day and that small random act of kindness made my day. I can tell Angelo was a wonderful kid and you guys did such a wonderful job raising a gentleman. I am so sorry for your loss and your family is in my thoughts and prayers.

“ I didn't know Angelo that well but Bella is a good friend of mine, and I know her and Angelo were so close. Bella always talks about Angelo, Angelo was her biggest cheerleader in basketball, as her teammate I can vouch for that! Bella, always know that Angelo will be with you in your heart and is still cheering you on. Just watching them interact, I could tell that nothing could ever break their bond. I am so dearly sorry for your loss of Angelo at such a young age. May God bless your family and let you persevere through this hard time. I hope you are able to find peace and keep on living for Angelo, as Bella would say. If there is anything my family and I could do please let us know.

So with you: Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy. John 16:22

“ My Best Friend has gone to heaven. Naysh was my world. My bread and butter, the older brother I've never had. He was my favorite person and I loved him so much. I remember one time we were at a red wings game and he lifted me up so high we got on the board at my first Red Wings game. I love that day. We had a bond like no other. I wish I could see him one more time, hear his laughing one more time, see his beautiful smile, spend the night one more time. he was the best! I would trade everything I have to see him one more time. I can't imagine life without him if he was somewhere, I was there, if he did something I would do the same thing every time!

He liked all the grape flavored drinks. Nobody else will drink them, except for him him and his 2 liter Faygo All my nicknames you gave such as Bob Bobby beef beep, and that's just a few. we love you so very much. gone but never forgotten.

“ Angelo, in the last year you became the closest thing I had to family at the time, he powered me through sophomore year and even saved my life, and gave me so many happy memories, my safe place entirely, even our core memory and promise still remains. “We will get through this together I promise” yet even through we couldn’t get through it together to this day. I hope to get through it in memory’s. I just wish I could’ve been there the same way he was for me

“ Angelo was my best friend, my brother. The moment I found out he was gone, it shattered me. Throughout our whole friendship, he was always there for me. We’d spend hours talking and picking out our outfits the night before school, excited for the next day. Every day at Eisenhower, we’d hang out at lunch and just chill—it was effortless because we were family.

When I switched to online school, I worried our bond might fade, but it never did. Our chemistry stayed the same. We still hung out and FaceTimed almost every day, like nothing had changed. My favorite memory with him? Honestly, it’s impossible to pick just one because every moment we shared was special.

I love you, bro. Always.

“ Four years ago, a young boy walked onto the baseball diamond at Macomb Corners. He decided he wanted to learn to play baseball. Taller than almost every other boy there he stood out, this quiet and shy boy just wanted to blend in. It took a while to get him to loosen up and smile but each time he walked on the field he improved and eventually enjoyed more and more of his time on the field then off. His parents were there all the time to watch him grow to love the game. The joy on their faces seeing the joy on their sons is just one of the great things a coach gets to be part of. It's not just about the wins, homeruns, double plays or diving catches that we remember as coaches, it's the players and great families we meet along the way too. I'll never forget you Angelo... “ Angelo was one of my guitar students add music maker studio. I taught him and his sister, Bella, guitar and the ukulele. I kept trying to get rich to take a few lessons on the ukulele as well.He would just smile and politely turn me down..... We are devastated by Angelo's passing while he was with me. He learned many a thing and had many favorite songs that we used to play together... He also attended a number of the masterclass shows and performed with others.Tudents showing off his skills... I know he used to play All The Time at home. It was a nice release from life for a while to just get engrossed in your music which is one of the reasons I like it so much... I will be there for him and the family. And I will be playing a few songs in his memory.....
