“ My sincerest condolences to Anise's family. She was a wonderful woman. I had the pleasure of working with her at CABLCON. She was kind, friendly, and a great mentor for the new employees. She took pride in her work and it showed. She was our "go-to gal" for most of the new, crazy, complicated work.

What I enjoyed most was chatting with her and Pat during the company parties, where she seemed to always get her name pulled out of that hat for a prize!

She will be missed.
