“ So sorry to hear of the passing of Mrs. Schaldenbrand. Her and Gene were more than just friends and neighbors to me- more like a 2nd set of parents! They even took me into their home during a tough spot in my young adult life- like so many others they helped through the years. I will be eternally grateful for that, and so many happy memories with the whole family! Rest in Heavenly peace Mrs. Schaldenbrand! -Glen Strother
