“ I have such great memories of Coci Anne. She was always so loving, and always made you feel she was happy to spend time with you. We had a great visit when she was in rehab in Romeo a while back, and had such a great talk about marriage, children, and just overall life. I ended up staying way later than planned, but enjoyed hearing her stories and listening so much, that I didn't want to leave. I remember her telling me that night how much she missed Uncle Ted, but with a smile on her face said she will see him again some day. I am sure he welcomed her with a big smile and a happy heart. We we so lucky to have her in our family, and I will always miss her smiling face.

Margie and Family your mom was like a second mom to me. I stayed at your house as much as I was at my own. She had the best laugh and the best smile. She could light up the world with that smile. I didn't like when she called me a certain name but what I wouldn't give to hear it now. "Lucy" I would tell her stories and she would just laugh so hard then say your Lucy. I'm sure Ted was there waiting with open arms for you. Probably saying what took you? You were the best mother to all of your children. I know they know that. Rest in Peace Annie. Will always love you as my second mom.

Barb and family, I'm sorry for your loss. I have fond memories of both your Mom and Dad when they would come down to Florida. We will miss them both.
