“ My deepest sympathy to my good friend Karen and all of the family. It was my joy to get to know Anna better during her last days she made me smile as she wrote down her cabbage soup recipe for me. She was such a sweet and loving woman and she will be missed by all of the hearts that she touched when she was here. You are in my thoughts and prayers. Love, Shari Wilks and family.

Our deepest sympathy go out to our dear Karen and her brothers Bob, Brian, and Kurt also her grandchildren and great grandchildren. Living next-door to each other for almost 50 years there are so many memories. Several of her fabulous recipes that she would share with me became my family's favorites. In the later years shed call me up and say "hey Nancy what's new in the neighborhood? I'd say," I don't know, ask Ken?" She'd laugh. Our daughters Karen and Kim have been the best of friends since they met at age 5 and seven. Ann and I would talk over the fence and laugh at the silly things they did. She had a great laugh. Her family always came first she was always so proud of her kids and grandkids. Maplecrest will miss you as everyone will. Be happy in heaven my friend and tell Don hello from us. Love, Nancy and Ken Hoffman
