“ Grandma~ I am going to miss you very much. Our Fridays will never be the same without Lunch at the Windsor and me being silly as usual and doing my dance. My heart will love and cherish you always! You always made me smile and I think I returned the favor for you. Continue to look over us with your prayers and heart! RIP and we love you!

“ *I just recently got to know Anna and she was the sweetest person to me even though she didn't know me very well. She always had a smile on her face every time I saw her.She seemed to always be in good spirits no matter how she was feeling. She will be missed and she will be watching over all of those whose lives she touched. God seems to always take the good ones, but we know she is in a peaceful place. RIP Anna. Luv Ya!*###imported-begin###Lynette###imported-end##
